MARK L. HATCHER, CLERK
OF THE BANKRUPTCY COURT

The Honorable Karen Overstreet
United States Bankruptcy Court
For the Western District of Washington
700 Stewart St. Courtroom 7206 Seattle, WA. 98101

Dear Judge Overstreet,

As a creditor who has lost \$350,000.00 ~~to any and all pre-~~
petition Counsel charges. Most of the pre-petition Law firms were hired by
specific investors...those specific investors should bare the cost of that
representation....even if in helping those specific investors, all investors
were assisted in the discovery process.

Mark Calvert as Trustee would be in the best position to determine who is to
be paid and the amount. Thank you for hearing my thoughts on this matter.
